

Banquet Rooms

The Tokyo Dome Hotel has a total of 18 small to large banquet rooms on the B1st, 5th, 6th and 42nd floors, which can each accommodate from 8 to 583 people in a formal dinner style, and up to 1,000 people in a buffet style.

On the B1st main banquet floor, there are a total of seven banquet rooms, including Grand Ballroom **Tenku**, Mid-Sized Banquet Rooms **Aurora** and **Cynthia**, and Small Banquet Rooms **Niji**, **Kagayaki**, **Irodori** and **Hibiki**. The **Tenku** Room features hemisphere lighting on its 7.4 meter high ceiling, and numerous lights like small stars on its wooden walls. Its design image is a microcosm. In a formal dinner style, it can accommodate up to 583 people; in a buffet style, up to 1,000 people. Moreover, it can be divided into two or three separate function rooms. The 299 m² foyer can also be divided into two and is ideal for coffee breaks. The Mid-Sized **Aurora** Room is designed around a concept of "bursts of light," and can accommodate up to 180 people in a formal dinner style and 250 people in a buffet style. The Mid-Sized **Cynthia** Room, with chandeliers featuring the moon, can accommodate up to 162 people in a formal dinner style and 250 people in a buffet style. The room, as well as 284 m² foyer, can be divided into two smaller rooms. The banquet rooms **Niji**, **Kagayaki**, **Irodori** and **Hibiki** are suitable for small gatherings of 18 to 40 people.

On the 5th floor, which is home to most of the wedding facilities, there are a total of four Small Banquet Rooms: **Kissho**, **Hourai**, **Masago** and **Hatsune**. All the rooms are named in connection with Bunkyo Ward, where the Hotel is located. The rooms **Kissho**, **Masago** and **Hatsune** can accommodate up to 36 people in a formal dinner style, and 60 people in a buffet style. The **Hourai** room is suitable for meetings of 27 to 50 people.

On the 6th floor, the Hotel's most exclusive floor, Salons 1 **Soleil**, 2 **Ciel** and 3 **Lune** are ideal venues for small gatherings, meetings or dinners for 8 to 16 people. The Salons offer sincere hospitality in order to make guests feel at home.

Four Sky Banquet Rooms enjoy a stunning view from the 42nd floor, 140 meter above the ground. **Sirius** is 155 m² and can accommodate up to 70 people in a formal dinner style and 100 people in a buffet style. **Aries**, **Orion** and **Pegasus** are 101 m² each, and can accommodate 50 people for formal dinners and 70 people for buffet parties. All the rooms are perfect for wedding receptions and various gatherings.

Furthermore, the Tokyo Dome City is home to the multi-functional 55,000-seat Tokyo Dome, Prism Hall, Prism II, and the Korakuen Hall. In particular, 3,000 m² of the Prism Hall is connected to the Hotel's B1st floor by an underground passage, enabling dynamic, effective and diversified use of the City's facilities.
