

Banquet Rooms

The Tokyo Dome Hotel has a total of 15 small to large banquet rooms on the B1st, 5th and 42nd floors, which can each accommodate from 18 to 530 people in a formal dinner style, and up to 1,000 people in a buffet style.

On the B1st main banquet floor, there are a total of seven banquet rooms, including Grand Ballroom **Tenku**, Mid-Sized Banquet Rooms **Aurora** and **Cynthia**, and Small Banquet Rooms **Niji**, **Kagayaki**, **Irodori** and **Hibiki**. The **Tenku** Room features hemisphere lighting on its 7.4 meter high ceiling, and numerous lights like small stars on its wooden walls. Its design image is a microcosm. In a formal dinner style, it can accommodate up to 530 people; in a buffet style, up to 1,000 people. Moreover, it can be divided into two or three separate function rooms. The 299 m² foyer can also be divided into two and is ideal for coffee breaks. The Mid-Sized **Aurora** Room is designed around a concept of "bursts of light," and can accommodate up to 160 people in a formal dinner style and 220 people in a buffet style. The Mid-Sized **Cynthia** Room, with chandeliers featuring the moon, can accommodate up to 153 people in a formal dinner style and 220 people in a buffet style. The room, as well as 284 m² foyer, can be divided into two smaller rooms. The banquet rooms **Niji**, **Kagayaki**, **Irodori** and **Hibiki** are suitable for small gatherings of 18 to 40 people.

On the 5th floor, which is home to most of the wedding facilities, there are a total of four Small Banquet Rooms: **Kissho**, **Hourai**, **Masago** and **Hatsune**. All the rooms are named in connection with Bunkyo Ward, where the Hotel is located. The rooms **Kissho**, **Masago** and **Hatsune** can accommodate up to 36 people in a formal dinner style, and 45 people in a buffet style. The **Hourai** room is suitable for meetings of 27 to 45 people.

Four Sky Banquet Rooms enjoy a stunning view from the 42nd floor, 140 meter above the ground. **Sirius** is 155 m² and can accommodate up to 63 people in a formal dinner style and 100 people in a buffet style. **Aries**, **Orion** and **Pegasus** are 101 m² each, and can accommodate 45 people for formal dinners and 60 people for buffet parties. All the rooms are perfect for wedding receptions and various gatherings.

Furthermore, the Tokyo Dome City is home to the multi-functional 55,000-seat Tokyo Dome, Prism Hall, Prism II, and the Korakuen Hall. In particular, 3,000 m² of the Prism Hall is connected to the Hotel's B1st floor by an underground passage, enabling dynamic, effective and diversified use of the City's facilities.
